16/2/24

At the outset, Dr. Promoda Kumar Samal, Chairperson of BOS and Coordinator of School of Zoology extended a hearty welcome to the members of BOS especially Prof. Arti Parganiha madam, Prof. Pravati Kumari Mohapatra madam, Sri. Aswini Kumar Padhi Sir, Dr. Hema Kumar Nayak, S.S.Naik and Bikash Basanta Patel. He presented the brief report of the agenda items to be discussed in the meeting. Then a thorough discussion was made on various agenda items and the following resolutions were adopted in the meeting.

1. Recommendation on the Syllabus of UG Program

The detail syllabus of UG program for the session 2024-2025 was analyzed after being presented by Dr. Promoda Kumar Samal. No change was suggested in case of core papers. However, the proposal of introduction of two optional papers i.e. Food, Nutrition and Health in DSE-III and Environment and Public Health in DSE-IV was recommended for approval.

2. Recommendation in the syllabus of PG Program

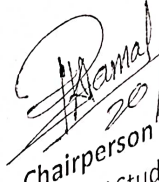

For PG Program, the Programme objectives, Programme outcomes and Course objectives of all courses were analyzed. With few modifications and corrections suggested by the subject experts, the syllabus of PG programme for the session 2024-25 was recommended for approval.

3. Introduction of the value added course

The proposal of the introduction of value added course on "Ecotourism Resources in Odisha" was analyzed and recommended for approval. The expert members suggested that there should be proper advertisement and guidelines to attract more students.

4. The members of BOS recommended the Panel of paper setters, examiners & moderators for all semesters of UG and PG examination 2024-25.
5. The members of BOS expressed concern about project paper of UG program (DSE-IV) and project paper of PG program (P-405) along with theory component. They suggested that the theory load should be reduced so that the students shall get sufficient time for the project work. The Syllabus should be rearranged accordingly. The members suggested to place the matters before appropriate forum for discussion and implementation.
6. The members also made a detail discussion on the adoption of second village for extension activities. They suggested to prepare the action taken report of various activities carried under the banner of extension programme. The students should be encouraged to participate more in such activities.

The meeting ended with a vote of thanks to all the members of BOS by
Sibaji Shankar Naik, departmental member of BOS.
