Description of the event and its Significance/Scope in 100-200 words	<p>The programme started at 10:30 am with the welcome address by Hon'ble Vice-Chancellor Prof N. Nagaraju. Opening remarks and introduction of the programme was given by Dr. Rupashree Brahma Kumari. Resource Persons Dr. Raja Ram Dash, Gynaecologist-Obstetrician, Sambalpur; Mr. Prem Ranjan Panda, Lawyer, Sambalpur and Dr. Puspashree nayak, District Project Manager, Odisha Livelihoods Mission, Department of Mission Shakti, Sambalpur were the dignitaries invited for the workshop. The resource persons were felicitated by the university for their significant contribution towards their role in creating awareness on women reproductive rights. Mrs. Jugeleswari Dash, Registrar, G.M.University congratulated the university for organizing this workshop for the students. Dr. U.C.Pati, Dy. Registrar, G.M.university advised the faculties of the university to participate in such programme for benefit of the students as well as for the society. Dr. Sushree Sasmita Pati welcomed all the dignitaries to the dais and introduced the resource persons to the audience. Total number of 350 participants including GMU faculty and students joined in the workshop.</p> <p>Dr. Raja Ram Dash, highlighted the topic on menstrual cycle and female hygiene. Dr. Dash showed the students various pictures of female genitals to make students understand the basic knowledge about the female body. Dr. Dash also highlighted the essential care for female body and how to control PCOS, PCOD. Dr. Dash suggested the students to have more clarity on good quality food to intake everyday for maintaining a healthy body. A healthy body can help maintaining the female reproductive organs. Dr. Dash enlightened the audience with the description on medical care and facility provided by the government for the women reproductive organs.</p> <p>Mr. Prem Ranjan Panda, provided a valuable knowledge on Article 21. Mr. Panda also cited many examples of reproductive rights which have been exercised in many cases in India. Since Mr. Panda has been associated to Sakhi Center of the Sambalpur, Odisha branch, he gave many examples related</p>	

to reproductive rights exercised by women in case of Rape, forced marriages. Mr. Panda also advised students to avoid early marriage to avoid early pregnancy. Mr. Panda explained various questions asked by the students as well as the faculty members on the light of the exercise the reproductive rights of the women.

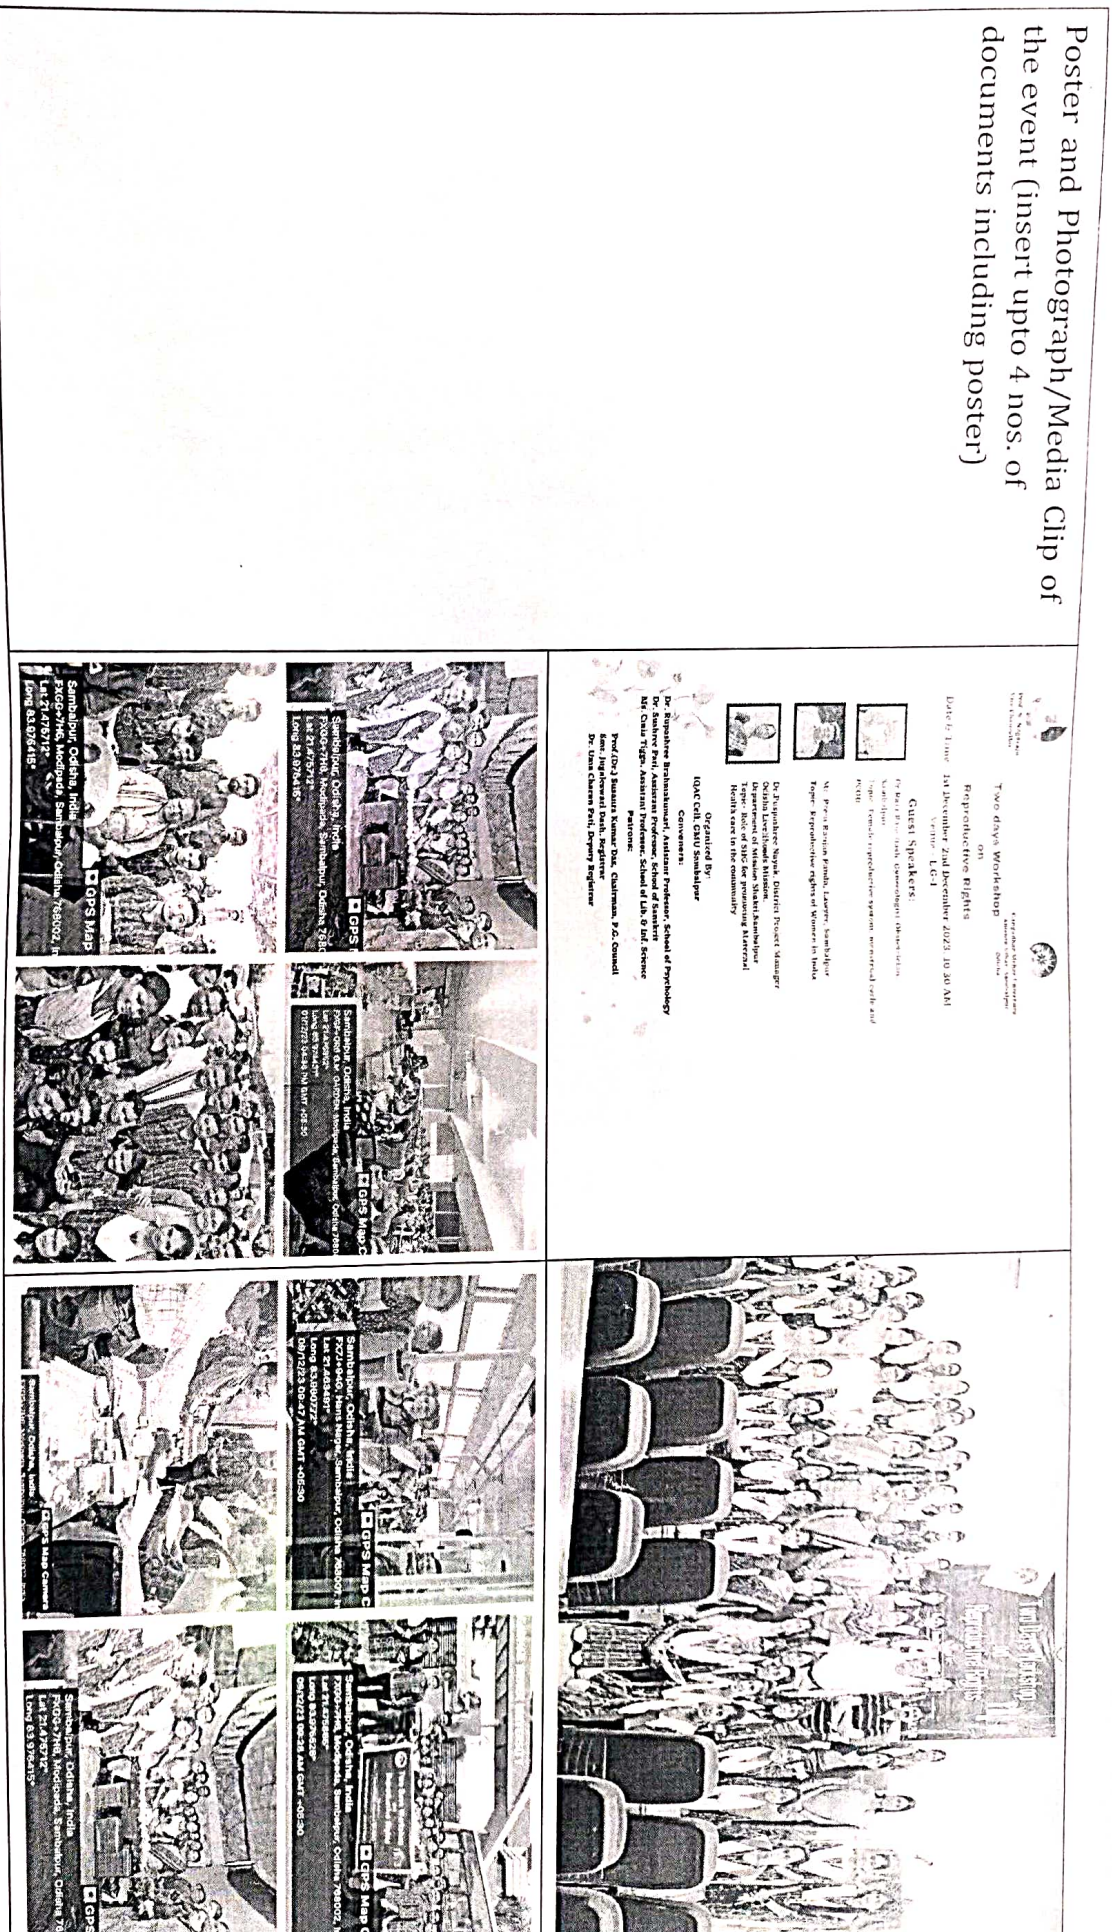

Dr. Puspashree Nayak enlightened us on the role of SHG on promoting maternal health and family planning. Dr. Nayak exclusively discussed various stages of the maternity care during pregnancy. Dr. Nayak also described all the care to taken for the female reproductive organs to be taken during the pregnancy period and post pregnancy period. She also explained various female rights which UNESCO has prescribed to protect the female reproductive organs.

Finally, a movie screening session was held in LG-1 from 02.30 P.M. onwards. In this, the students and the faculty interacted and shared their insights on the general issues and taboos pivoting around the topic "reproductive rights".

The vote of thanks was given by Ms. Cinia Tigga for the successful completion of the first of the workshop.

On day 2, there was a field visit to (Gudesingha) where the students participated and interacted with the girls and women of the village focusing on educating the individuals about their rights related to reproductive health, family planning and access to health care services. The students had an opportunity to meet the Honorable education minister, Sri. Dharmendra Pradhan to convey the idea of the workshop and the awareness programme initiated by the students. The students were guided by Dr. Puspashree Nayak to understand the essential food to be taken for the good reproductive health. The students of the G.M.University also interacted with the mothers to create awareness among the mothers to care for the reproductive organs post pregnancy,
