<b>Description</b>	<p>Gangadhar Meher University (GMU), Sambalpur came into existence on the 30th May 2015 as a unitary institution of higher learning [The Government of Odisha Order No.11598/HE Dated 30.05.2015]. That was a momentous event for the people and student community of the Western Odisha for the fulfillment of their long cherished dream and aspirations. The newly formed University replaced the erstwhile Gangadhar Meher College (Autonomous). Consequently, the entire teaching and nonteaching staff of the G.M. College were deployed to G.M. University and became the stakeholders of the newly formed GMU. This transition was indeed the crowning glory for an institution that had a humble beginning at its inception way back in the pre-independence era. The University provides teaching and research facilities for running Undergraduate, Post Graduate and Research programs smoothly on various subjects. This University is serving to the needs of around 5500 students at present and rendering services to the society at large. Within a short span of three years, it has already made a mark in the academic arena by providing good quality education, conducting national and international level seminars and workshops on a regular basis.</p>
