Please Note:

1. Join the organization after a detailed background search of the company/job profile. If required, ask the HR persons of the company during the interview/before joining.
2. As the Coordinators we are just making the coordination between company and students. We are not representing any company.
3. All the selected students should definitely send/forward the softcopy of appointment letter to placement@gmuniversity.ac.in within 7 days of receiving it from the company for the office record of Career Development Cell (CDC) of GMU.
4. Once you are joining a company, do not leave it within a very short time. By doing so very often the CDC is finding difficulty to place the more needy students of other batches in that company.
5. Before leaving any company try your best to give the best service so they will ever remember you cheerfully/gracefully.
6. Other details are mentioned in Annexure-I.
