GANGADHAR MEHER UNIVERSITY

AMRUTA VIHAR, SAMBALPUR (ODISHA)-768004

NOTICE

No- 1390/GMV

Date- 16/03/2024

It is for information of all staff and students that, as a part of our endeavour to make a clean and green campus, entry of automobiles to the campus is restricted and there will be complete ban of entry of automobiles on every Saturday.

Further, students, faculty members and Administrative staff members are requested to use bicycles/ battery operated vehicles most of the time and compulsorily on every Saturday. Such a good practice will not only encourage healthy living but also help us in achieving a pollution free, clean and green campus.

Let's come together and put into practice the age old saying "live and let live".

By order of the Vice Chancellor

REGISTRAR.
