GANGADHAR MEHER UNIVERSITY,
AMRTA VIHAR, SAMBALPUR

The Scholarship Process Flow via the National Scholarship Portal and the Odisha State Scholarship Portal follows these steps:

The National Scholarship Portal and the Odisha State Scholarship Portal accept online applications from eligible students for various scholarship schemes once a year. After students submit their applications, universities verify those online in accordance with the guidelines of the respective scheme. Once verified, the applications are forwarded electronically to the respective department for further processing. After the concerned Ministry or Department finalizes the approved list, it becomes available on the portal, where universities can download it using their login credentials.

Important Note: INO and HoI both should ensure that their Aadhar should be updated in their respective NSP logins before any of them going for BioAuth. Any Aadhaar related changes/updation (i.e., Changes in Aadhaar no. or Name or Gender or Mobile no.) in their NSP profile (i.e., either INO or HoI) would nullify their BioAuth status from NSP and they must have to perform BioAuth again (if done earlier)

Biometric Authentication (bioAuth) is required in AY 2023-24. Updation of profile is must. Profile can be updated through the option Administration-> Update Profile. Please update Courses along with course fee also.
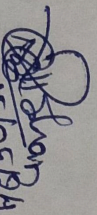

Note: Account number is not required for scholarship disbursement through NSP. Scholarship will be disbursed directly into the Aadhaar seeded bank account of the beneficiary.
