

Gangadhar Meher University, Sambalpur-768004

5.1.3: -Report with Photographs on ICT/ computing skills enhancement program

Gangadhar Meher University, has several specialized departments—School of Computer Science, Master in Computer Application (MCA), Information Science and Telecommunication (IST) and Mathematics —to offer ICT/Computing Skills knowledge and training needed to thrive in the fast-changing digital landscape. Additionally, other departments also incorporate computer applications into their respective subjects to provide comprehensive knowledge.

To support ICT needs of the students the University has a dedicated computer center in “Dr.Narayani Panda resource center” with goals that include: (i) Enhancing the understanding of students on fundamental ICT concepts and applications; (ii) Strengthening problem-solving and critical thinking skills through hands-on computing activities; (iv) Fostering a collaborative and supportive learning environment that encourages knowledge sharing and teamwork; (v) Preparing students for the challenges of the digital era; as well as Improving their employability skills for technology-driven industries.

The University also collaborates with various institutions, including SUIIT Sambalpur, NIT Rourkela, VSSUT Burla, IIM Sambalpur, IBM Pune, IBM Kolkata, Naandi Foundation, 502, Trendset Towers and with others, to offer skill-based training and employment opportunities.

Photographs and evidence of the programs conducted are given below:

Sub: Completion of The Mahindra Pride Classroom training program in partnership with Gangadhar Meher University, Sambalpur

Dear Sir,

This is to acknowledge the successful completion of Naandi Foundation's Mahindra Pride Classroom training program, a flagship employability skill-training program of the Mahindra & Mahindra's corporate social responsibility, in partnership with your institution. Currently operational in 22 states in India and having trained a total of 6,00,000 students, MPC is touted to be India's most popular skilling program. We would like to express our sincere gratitude for collaborating with us to help us in our vision to take this program to the underserved women and youth.

Maryatha Tech Park,Bengaluru

Thank you dear Mr Arpan Basu and Mr Apurba Thakur for receiving our request and trained the participated students and faculty members during the online workshop on DESIGN THINKING AND AGILE TO BUILD INNOVATIVE SOFTWARE PRODUCTS on 17th May 2020. The workshop became very much successful as we received very good feedback from our participants through various digital platforms.

Hope to have your cooperation and long term association with us to exchange the knowledge,skills and innovative ideas,as a part of industry-academy interaction program.

Thank you again.

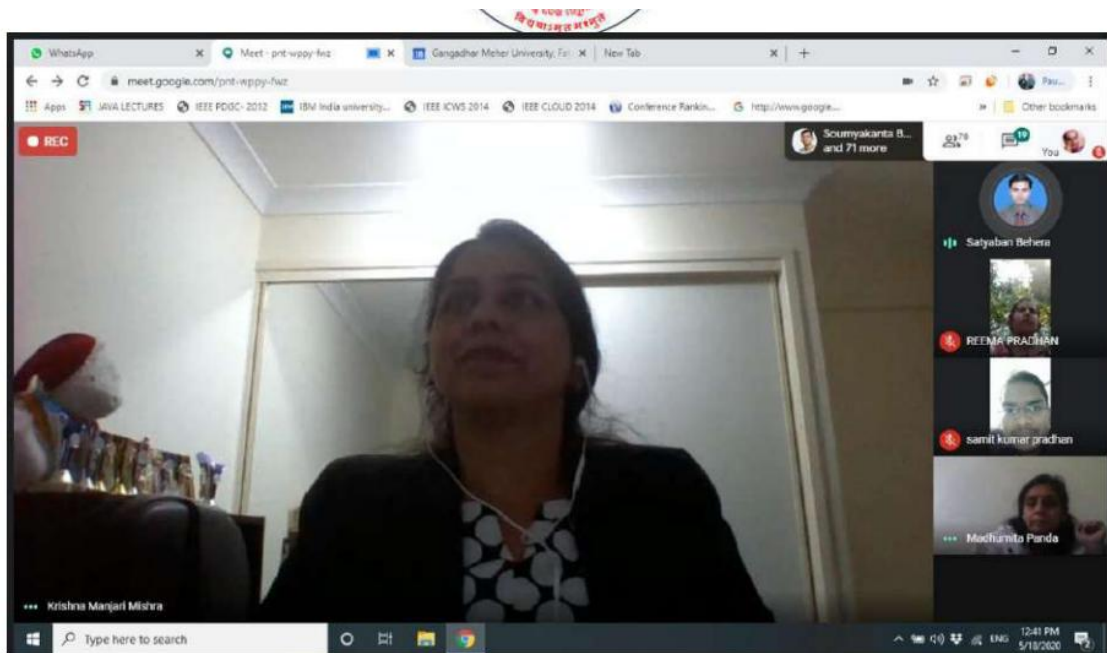

With regards

Satyaban Behera
